Problem/Solution Chart

Title: _____

Use this chart to explain a problem(s) and its solutions(s). Also write down how you know the solution has worked or will work in the Justification column.

Problem(s)	Solution(s)	Justification
Identify sections in the news article that explain the problem.	Identify sections in the news article that explain the solution.	Identify sections in the article that explain how the solution has worked or will work.

Add more rows to the chart if you need them.
