

# Did you know..... there have been recent changes to the Kentucky State Immunization Regulations?

Required to have a current certificate of immunization status:

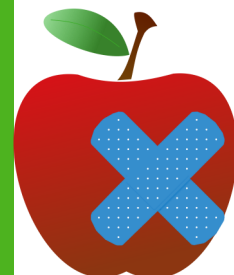

- ◇ Children attending daycare centers
- ◇ Children attending certified family child care homes
- ◇ Children attending other licensed facilities which care for children
- ◇ Preschool students
- ◇ All students who attend a public or private primary or secondary school

## New Requirements:

- 2-Dose Series of HepA
- Quadrivalent meningococcal vaccine (MenACWY) booster dose (Age: 16 years)

*effective for the school year beginning on or after July 1, 2018*

## SCHOOL IMMUNIZATIONS

**DON'T  
WAIT  
TO  
UPDATE!**

Talk to your primary care provider or local health department to insure your child is up to date on all immunizations prior to July 1, 2018
