Dear New 5th Grade Students and Parents,

Hello and welcome to Meece Middle School! On behalf of the staff and students here at Meece Middle School, we want to officially welcome you to your new school and we also hope that each of you are having a fun filled summer break!

Calvin Rollyson
Principal

David Miller
Assistant Principal

Andrea Keeney
Guidance Counselor

In an effort to help new students transition to another grade and to a new school, Meece Middle School is sponsoring a program called **“Jump Start”**. It will be held on July 29th in two different groups from 9 to 11am for students whose last name ends in A through J and from 1 to 3pm for students whose last name ends in K through Z.

Jump Start is an opportunity for new 5th grade students to get an early “Jump” on the school year by starting a positive, caring relationship with each of their new core content teachers. We hope to help those students who might be a little nervous or unsure about entering 5th grade. During “Jump Start”, teachers will review classroom expectations, discuss their class schedule, answer any questions about 5th grade and give students an opportunity to tour other parts of Meece Middle School.

Parents can drop off their child at Meece Middle School ten minutes prior to their program starting and pick them up when their program ends. Parents may come into the cafeteria to receive beginning of the school year paperwork/ forms that must be returned to school on Aug 5th.

“Jump Start” is voluntary, no one is required to attend. Parents may just stop by the school before Aug 5th and pick up the forms and return them completed when their child comes to school. “Jump Start” is just an opportunity for the kids and parents to see and feel their new school and to help reduce any anxiety or fears that someone may have!

*Everyone entering the building will get their temperature checked and everyone must wear a mask at all times (unless medically exempt).

We look forward to seeing you at our “Jump Start” program or on August 5th when school starts. If you have any questions, please check out Meece’s webpage or call the school. Thank you and Go Meece Jumpers!!!!
