Graduation Information for the Class of 2020

Dear Graduating Seniors and Families,

I never dreamed that we would conclude the 2020 school year like this, but here we are. I had so looked forward to addressing this graduating class the way it has been done for so long now. I am still looking forward to that moment, but obviously, we have to adapt to the circumstances. That is a lesson in life that we all must learn at some time.

I want to keep you informed of how Somerset High School plans to celebrate this accomplishment. The following are a list of graduation events and recognitions, and to help with this process...

Wishing you all the best,

Jeff Wesley
