

ENHANCING STUDENT ACHIEVEMENT POLICY

SCHOOL MISSION AND BELIEFS STATEMENT:

The purpose of the Hopkins Elementary School Based Decision Making Council is to make decisions in order to provide an educational environment that enhances student achievement.

Hopkins Elementary School emphasizes achieving a happy and productive life for each child by encouraging the following:

- Understanding the value and appreciation of all others
- Respect through honesty, kindness, and consideration
- Pride in our school and ourselves
- Motivation for excellence
- Success and responsibility
- Life long learning by showing curiosity of our world

PROCEDURES:

In order to carry out our school's mission and to accomplish Kentucky's Learning Goals, we will:

- Develop SBDM policies, which contribute either directly or indirectly to accomplishing this mission.
- Develop SBDM policies, which contribute either directly or indirectly to enhancing student achievement by improving teaching and learning at our school for all students.
- Complete an annual needs assessment including but not limited to analyzing student performance on the state mandated assessment test.
- Annually revise our School Improvement Plan to address identified needs. The council will be responsible for adopting the Plan and conducting Implementation and Impact checks to monitor it.
- Budget and hire to support our School Improvement Plan.

Policy Evaluation:

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
