

EXTRACURRICULAR PROGRAMS POLICY

CRITERIA FOR PROGRAMS:

For an extracurricular program to be continued or to institute a new program, the program should:

- Contribute to becoming a self-sufficient individual; becoming responsible members of a family, work group, or community, including demonstrating effectiveness in community service.
- Generate and maintain student interest as well as attract students currently not involved in extracurricular or service projects.
- Encourage, enhance, and maintain equity including but not limited to a wide range of opportunities for both male and female students.
- Have a suitable adult sponsor and have appropriate adult supervision at all times.

PROGRAMS CURRENTLY OFFERED:

Listed below are the extracurricular programs we currently provide. Additional programs will be approved and instituted based on their ability to meet the criteria listed in the first section of this policy.

1. Academic Team
2. Student Technology Leadership Program

STUDENT PARTICIPATION:

Students will be eligible to participate in extracurricular activities if they:

- Maintain a C average or satisfactory progress for each interim and nine week grading period in all subjects.
- Are in attendance at school on the day of the activity.
- Comply with the rules established by the sponsor/coach for the activity.
- Where applicable, meet any requirements set by the appropriate sponsoring or governing organization.

SPONSORS AND COACHES:

Each extracurricular activity will be led by an adult coach or sponsor who meets any applicable requirements set in law, or by sponsoring or governing organizations. The coach or sponsor will be responsible for personally supervising or ensuring that all students are supervised by an adult while they are participating in an activity, including practice time and travel time where applicable.

The principal will assign coaches and sponsors from our school’s current staff following our policy on Instructional and Non-Instructional Staff Time Assignment. If it is necessary to consider applicants who do not currently work at our school, our policy on consultation will be followed.

Policy Evaluation:

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
