

School Day and Week Schedule Policy

KRS 160.345 (2)(i)4

Purpose: The School Day and Week Schedule Policy ensures that all students are provided equitable access to all components of the school’s curriculum within the master schedule.

Policy Statement:

The school principal shall develop a proposed school schedule and present it to the SBDM for approval prior to the beginning of school. The principal will have the right to make changes to the schedule when circumstances arises that necessitate the need for a change for the benefit of maintaining or enhancing student achievement.
